'Return, Hubert,' ADA Here Pleads After Rizzo Call

The local chapter of Americans for Democratic Action took exception yesterday to a congratulatory telephone call Frank L. Rizzo received after his victory in the primary election Tuesday.

David Hornbeck, chairman of the Southeastern Pennsylvania chapter of ADA, announced he had sent this telegram to U. S. Sen. Hubert H. Humphrey (D-Minn):

"We take note of and regret your congratulatory phone call to former Police Commissioner Frank Rizzo. Your apparent concern for Mr. Rizzo's well-being, added to your well-publicized 'arm around Mad-dox' is inconsistent with your former attention to matters of human rights and integrity.

"ADA in Southeastern Pennsylvania continues to act on the principles you long espoused. We urge your return to the same."
